

Consumer Protection & Property Promotion

eLearning on the Consumer Protection from Unfair Trading Regulations 2008

CONSUMER PROTECTION & PROPERTY PROMOTION: AN IMPORTANT PARTNERSHIP

All members of your organisation need to be familiar with their responsibilities and obligations under the Consumer Protection from Unfair Trading Regulations 2008 and the Business Protection from Misleading Marketing Regulations 2008, to ensure that they understand the issues that affect them and to protect your responsible property business.

External training courses, or arranging in-house training, can be expensive and time-consuming. Walker Morris' eLearning is an alternative solution. eLearning can be undertaken at the desk, whenever is convenient for individuals and can reach across an organisation without the costs associated with classroom-based training.

FLEXIBLE eLEARNING TAILORED TO YOUR NEEDS

We can offer four different solutions:

- **Option 1:** we license you to use our generic script - cost £2,000 plus VAT
- **Option 2:** working with our eLearning provider, we will create a generic built eLearning module to be hosted on your own IT platform - cost £5,000 plus VAT
- **Option 3:** working with our eLearning provider, we will create a bespoke module tailored to your specific needs to be hosted on your own IT platform - cost £6,000 plus VAT
- **Option 4:** in addition to Option 2 or 3, our eLearning provider can provide you with a hosted solution - cost to be agreed.

Working with you, we can tailor our eLearning tool to reflect the style of your organisation and develop an eLearning product for you. We can ensure that all your staff are trained, and tested on that training, with records to show a level of knowledge across your business.
