

Our office

Our national centre of excellence is based in Leeds, in the heart of the UK, in one of the country's most accessible cities. Frequent direct trains between Leeds and London take just over two hours. All other UK cities are easily reached by train, car or plane. With Eurostar connections at St Pancras, journeys to Leeds from Brussels and Paris take just over five hours.

We're only a 5 to 10 minute walk from Leeds Railway Station. Exit the station by the City Square exit and turn left onto Wellington Street (City Square will be on your right). We're on the left-hand side of Wellington Street just before the Crowne Plaza Leeds. For information on train times call 08457 484950.

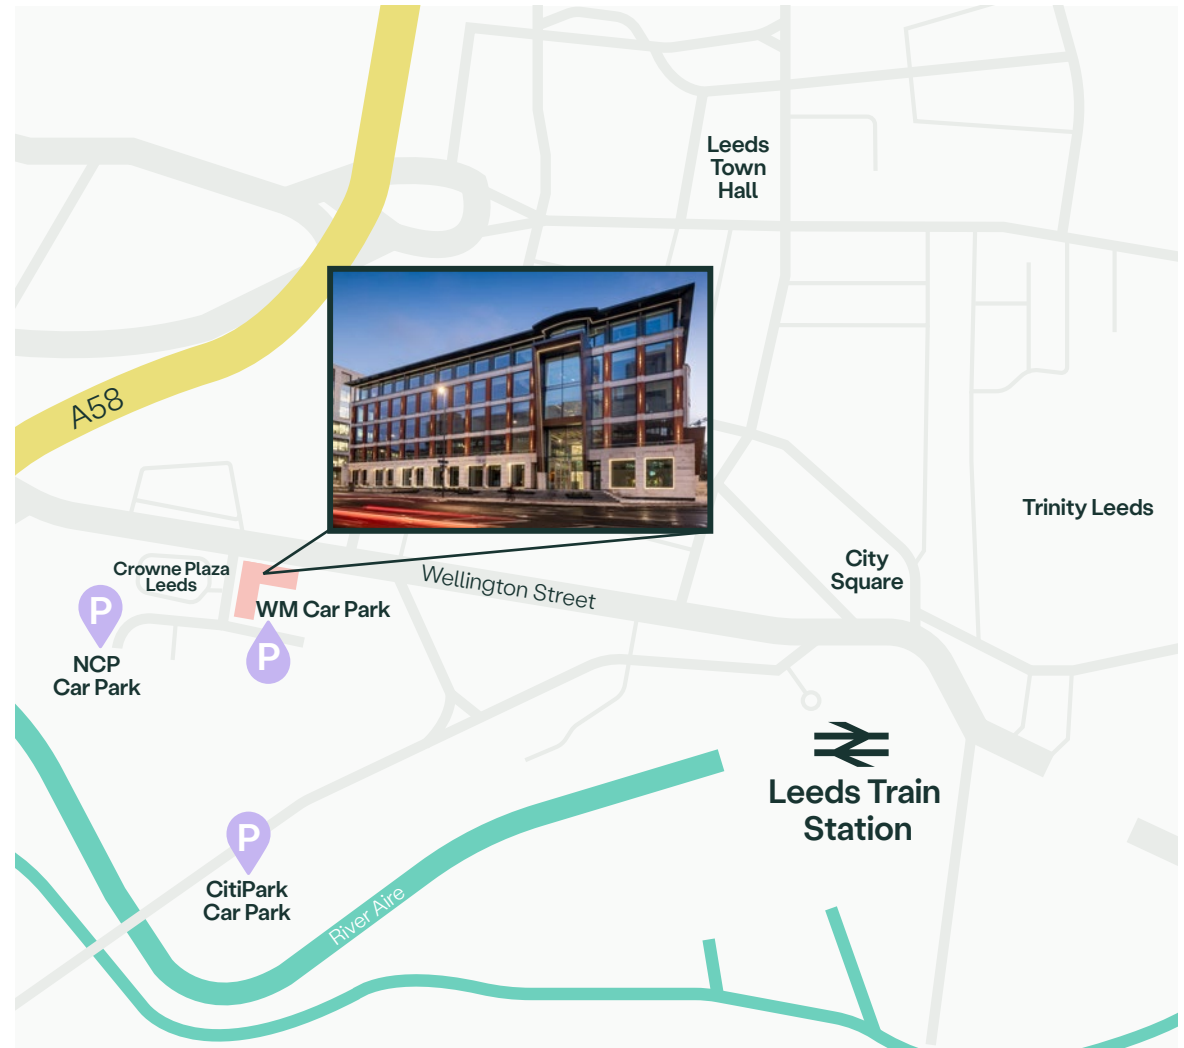

We're a 30-minute taxi ride from Leeds Bradford Airport.

When you arrive, enter via the revolving doors at the front of the building, which face Wellington Street. Please let one of our receptionists know when you have arrived.

We have limited car park spaces available on site, if you would like to book a parking space, please do so in advance by contacting our reception team. The entrance to the car park is located at the rear of the building, on arrival please use the intercom system to confirm your booking with our security team. If using a sat nav please enter postcode LS1 4DL. Please contact us if you would like any further information on directions.
